L. H. BAILEY, PROFESSOR OF HORTICULTURE.

Ithaca, N. Y., Jan. 25-1889

My Dear Mr. Watson:

The first of February is almost here, and I find that I shall be unable to have my correspondence done on time. A dozen lectures in various parts of the state are taking me away from home. I have been waiting, however, to see Dewey's caricatures. I have now succeeded in securing them, so that I can go on with my work.

Yours truly,
L. H. Bailey
